SHASTA DAISIES

We are furnishing transplanted Daisy plants that were reset in early fall and have developed a heavy root system, and which are worth many times over the common, fresh, field divisions. These reset plants transplant better start growing more quickly, and grow more vigorous. Therefore will give you a more abundant crop of giant blooms next spring. There is absolutely no comparison between our well rooted reset plants and the common field divisions and small pot plants. Our varieties are well known the country over. Our Edgebrook Giant is truly a giant, and our Majestic the most popular, long stemmed cut flower variety.

We are headquarters for the best in Daisy plants. We recommend fall planting for best results, and can make prompt shipment.

HIBISCUS — MALLOWS

Henderson's Giant Hybrid

These are a great improvement over the common Hibiscus. Truly a triumph of the hybridizers art in giving us these most beautiful giants. The flowers are wonderful in size, 6 to 12 inches across. A fine landscape plant. Hard to beat for a dazzling show. Mr. W. L. Trimble, Supt. of Lakewood Memorial Park, Jackson, Miss., on Aug. 20th wrote us as follows: "The hardy Hibiscus purchased from you last fall are the sensation of this town—blooms 8 to 10½ inches."

These are perfectly hardy. Can be grown anywhere. A new and valuable introduction.

Blooming size plants grown from seed of named varieties. Mixed colors only.

\$4.00 per dozen. \$20.00 per 100.

We do not have sufficient stock to supply named varieties as yet, but these seedlings will give you many choice specimen plants of great beauty.

LIRIOPE

The border plant supreme. Equally good in sun or shade. Will grow right up by the side of large trees. Stands unfavorable conditions. Wonderful for cemetery work, borders of beds and roads. Never gets out of bounds. A prize for landscapers.

Liriope—Muscari Exiflora, \$5.00 per 100.
\$35.00 per 1000.

HEMEROCALLIS — DAY LILIES

We have a limited amount of the following Hemerocallis in a variety of colors. Strong field divisions.

Margaret Perry—Rose buff lined with red. Good grower.

Chisca—The sepals are red with alternating petals of rosy red. A free bloomer.

Bagdad—Glowing copper red over orange. Richly colored.

All of the above Field Divisions, \$10.00 per 100.

Hyperion—One of the finest. Large, waxy, soft Canary yellow. Blooms in abundance.

\$4.00 per 10. \$30.00 per 100.

Sir Michael Foster—Tall growing with large flowers of apricot yellow, with good substance.

Bijou—Ground color, orange overlaid with bright red. Profuse bloomer.

Sunny West—Large flowers of pale canary yellow. Many buds on strong stems. Prolific. Above 3 varieties, Field Divisions, \$1.50 per 10.

Mixed—A good mixture of named varieties. Field Divisions, \$8.00 per 100.

ALTHEA OR ROSE OF SHARON HIBISCUS SYRIACUS

Effie Riegel—This new superior variety is snowy white and double as a rose. A mass of snow all summer long. Small plants bloom first year. Have tested a number of white varieties, but none came near having the beauty of this one. Very good cut-flower. Should be in every planting. Withstands unfavorable conditions well. Stock limited.

2 to 3 ft. 50¢ each, Minimum order, 5.

SCARLET WISTERIA TREE

Deubentonia tripetti. (*Sesbania*)

This beautiful small tree has fern-like foliage, and is covered, in early spring, with Wisteria-like blooms of a tango red. Large size will bloom the first year. A desirable novelty.
